The students say they are living in fear and unable to concentrate after the death of their colleagues.

Their protest was to demand the actual cause of the death which has claimed seven lives in one month, [3news.com](#) has gathered.

They claimed a total of four students have died within just a week.

Parents Saturday morning thronged the school to take their wards home after school authorities asked the students to go home.

*Most guardians have to take their wards home*

need to rush to the school and take their children home.

Some students were seen trying to reach their parents via the school phone booth.

*Students made frantic calls to reach their parents to get them home*

School authorities are tight-lipped over the incident and said they will respond at the appropriate time.
